**Sam Lane**

```
C2                      F2
I need you like the rain
C2                       F2
Come to me and sing again
C2                          F2
I long for your love so much
C2                         F2
I've wanted your pure touch

Am                  G       F2
  You are beautiful, beautiful
                 Am        G
 You are beautiful, beautiful
          F2
 So beautiful, beautiful

C2                  F2
I need You to be here
C2                             F2
Come to me, I can feel you near
C2                         F2
I love you, You are my hope

You love me as Your own
