

Flood over me

Aaron Keyes

1
Flood over me *(flood over me)*

2m
Holy Spirit rain down *(rain down on me)*

5 4
Let your glory surround this place *(I've come...)*

1 (5)
As I ...worship and sing your praise

1 2m
Rise up in me, A heart rejoicing that You've set me free

5 4 1
Come break the chains with songs of liberty, Flood over me

1 4 2m G
I am empty, feeling weary, Sometimes lonely, ever needy
You completely satisfy me, With your love and all that You are

Flood over us

(we want to see You high and lifted up)
We've come to celebrate your endless love
(refresh and redeem with the water and blood)
For all You are and Father all You've done
(Bring life out of death with your holy touch)
So flood over us
(As your spirit washes/floods over us)
