

# Holy Surrender

Aaron Keyes

I've done it again, I've given in, To the very sin that breaks your heart  
Now I return, fix my eyes on you, That's not who I am, Not who I am in You

You say I'm your child, chosen one and friend  
You Love me with a love I'll never comprehend  
You call me Masterpiece, your Poetry; Your holy place, in You, complete

D	A/C#	G/B	A	G
Lord I give to You, All I am				
D/F#	Em	A		
In holy surrender

Jesus, take my life, Make it yours

I need only remember

Hands Spread that broke bread,

Blood Shed, You dropped dead

In Your death, I see

True life (or Your Heart), wholly surrendered for me				

## *Alt. Chorus*

Lord we give to You all we have, here in holy surrender  
Jesus take your place, rightfully yours, We enthrone You forever  
With Hands Spread, Hearts Fed (or Tears Shed), You are Exalted  
In our lives please see Our hearts wholly surrendered to Thee
