

## I am Yours

                  D   G/B                  D   G  
Is there anyone here,          Does anyone know  
Can anyone feel the touch of the love of God  
Has any eye seen, Has any heart changed  
                  D   G/B                  D/F#          G  
Can anyone stand in praise, Can anyone stand and say

G                  D  
Your love is a raging fire  
G                  D          A  
Your touch is a soothing rain  
G                  D  
Your kindness has turned my heart  
          Em—D/F#--G  
And I   am   changed  
G                  D  
Your mercy's a river wide  
G                  D   A  
Your cross is an open door  
G                  D   A  
Your blood says I'm justified  
          Em—D/F#--G  
And I   am   yours

                  D   G/B                  D   G  
So who will declare          the glory of God  
So who will cry out, unashamed, "He is glorious"  
'Til every eye sees,          'Till every heart knows  
                  D   G/B                  D/F#          G  
Let everyone stand in praise, Everyone stand and say

Interlude: Bm7   D   E7   G //
