What can I give, what offering?

Bm D/F# Em7 Asus **(INTRO)**

Lord of the harvest, here I am, send me

VERSE 2

O God of burning presence, brand my heart

As with your saints through history

Who from encounter with your Spirit heard

"Whom shall I send to go for me?"

Changed by the power of unrelenting grace

Boldly they preached the savior's name

Lord as you sent them, here I am, send me

VERSE 3

O living breath of Jesus, breathe on us

Power to do the works of heaven

To break oppression with your zealous love

Bringing the light of goodness in

Bread for the hungry, justice for the poor

Giving them hope and dignity **(D Csus C C7)**

Lord of the helpless, here I am, send me **(MODULATION)**
