Aaron Keyes & Chris Moerman

**INTRO/TURN 2X:** [ EM7 B F# F# (B/D#) ]

**V1** B E/B B E B/D#  
From before the dawn of light, You were everlasting life  
B E/B B/D# G#m F#  
As you sang the morning sky, Lord You knew me  
B E/B B E F# G#m  
You had seen my truant heart, Still you reached into my dark  
B E/B B/D# G#m F# B  
May the blood of sacred scars, stir my soul to sing

## CHORUS

E B F#  
**Oh my soul, Oh my soul, Boast in the Lord!**  
G#m E B F#  
**He has lifted you out of the grave, My soul will boast in the Lord**  
E B/D# F# G#m  
**By His death we have died, By His life, we've been lifted on high**  
E B F#  
**My soul will boast in the Lord**

## V2

In my heart and in my home, When tomorrow stands unknown  
When my soul is wintered stone, Lord remind me  
You are there when seasons change, You are mending all you've made  
This my prayer in this, my pain, purify me

## V3 *(note the chord changes at end)*

When my silver end is near, may my restless heart be still  
In my fading strength and years, Lord be near me  
B B/E B E F# G#m  
As my body enters rest, Oh my soul You resurrect  
B F# B  
You have triumphed over death, Glorious Victory!
